Did you know?

- Livingstone Foundation 4 Education (LF4E) is a lay-led, volunteer driven initiative; a group of forward-thinking alumni and friends of Livingstone Adventist Academy (LAA).
- The sole purpose of LF4E is to raise and manage an endowment for scholarships and grants for LAA students.
- LF4E's objectives are:
 - 1) to support students in their quest to participate in life-transforming education at LAA.
 - 2) to keep LAA strong by impacting enrollment.
- LF4E is a 501(c)(3) Nonprofit Organization. All contributions are tax deductible. LF4E accepts gifts of cash via checks and money orders.

Please join the growing number of parents, alumni, staff, grandparents, and other friends of Livingstone Adventist Academy who support Livingstone Foundation 4 Education. Together we can assure that all our kids get the life-transforming opportunities offered at LAA.
